ACKNOWLEDGEMENT

Our project would not have been successful without the help of several people. We would like to thank the personalities who were part of our project in numerous ways, those who gave us outstanding support from the birth of the project.

We are incredibly thankful to our honorable Pro-Vice Chancellor, **Prof. D. Sambasiva Rao,** for providing the necessary infrastructure and resources to accomplish our project.

We are highly indebted to **Prof. N. Seetharamaiah**, Principal, School of Technology, for his support during the project's tenure.

We are very much obliged to our beloved **Prof. Dr. S. Phani Kumar**, Head of the Department of Computer Science & Engineering, for providing the opportunity to undertake this project and for encouragement in the completion of this project.

We would like to express our special thanks to our Project Co-ordinator **Dr. S. Aparna,** Assistant Professor, Department of Computer Science and Engineering, School of Technology, for her time and efforts she provided throughout the year.

We hereby wish to express our deep sense of gratitude to **Mrs. V. Rekha**, Assistant Professor, Department of Computer Science and Engineering, School of Technology, for the esteemed guidance, moral support, and invaluable advice provided by him for the success of the project.

We are also thankful to all the Computer Science and Engineering department staff members who have cooperated in making our project a success. We would like to thank all our parents and friends who extended their help, encouragement and moral support directly or indirectly in our project work.

Sincerely,
